## 1.Feel Engineering Project Expo conducted on 26.05.2022

The "Feel Engineering Project Expo" held on May 26, 2022, showcased the ingenuity of our Electrical and Electronics Engineering students. Among the standout projects were an Arduino-Based Vacuum Cleaner, highlighting embedded system applications, and a project exploring the intricacies of Electricity Transmission and Distribution Systems. Students received certificates of recognition for their dedication and exemplary work, emphasizing the practical application of their technical skills. The expo served as a collaborative platform, fostering knowledge-sharing and celebrating innovative solutions within the EEE department. Congratulations to all participants for their outstanding contributions, truly embodying the spirit of excellence in Electrical and Electronics Engineering.

## 2.Farewell Program (2019–2022) on 26.05.2022:

On May 26, 2022, we bid a fond farewell to the graduating batch of 2019-2022 through a heartwarming Farewell Program. This event served as a poignant moment to celebrate the achievements and memories shared during their academic journey. Students, faculty, and staff came together to express their appreciation and best wishes for the departing batch. The program included speeches, cultural performances, and the presentation of mementos, creating a nostalgic and joyful atmosphere. As they embark on new adventures, we extend our heartfelt congratulations and wish them success and fulfillment in their future endeavors. The Farewell Program was a fitting tribute to the graduating class, marking the end of one chapter and the beginning of another.

## 3.Orientation Program (2020–2023) conducted on 01.04.2022:

On April 1, 2022, we warmly welcomed the incoming batch of 2020-2023 through an engaging Orientation Program. This event was designed to acquaint the new students with the college environment, academic expectations, and available resources. Various sessions were organized to introduce students to faculty members, campus facilities, and the overall structure of their academic journey. The Orientation Program aimed to ensure a smooth transition for the new students, providing essential information and fostering a sense of community. As they embark on this exciting chapter, we extend our best wishes to the batch of 2020-2023 for a successful and enriching academic journey. The Orientation Program was a key step in setting the stage for their future success.

## 4.Students' Activities:

Students who actively participated in industry internships not only acquired practical insights but also applied theoretical knowledge, refining valuable professional skills. This active engagement contributed to their overall development and preparedness for the workforce. The hands-on experience gained during these internships deepened their understanding of industry practices and increased their adaptability to real-world challenges.
